

KODAK Gear Professional M3 Series Trimmers

- Precision rotary trimmer ideal for self-service print stations, photo and graphic design studios, custom labs and schools.
- Trims dry mount tissue to hairline tolerances and precisely trims all other materials up to 1/8" thick.
- Die-cast alloy cutting head features a contoured shape and exclusive comfort grip that makes repetitive work less fatiguing.
- Self-sharpening, hollow ground, tool-steel blade makes smooth, straight cuts.
- Extruded aluminum alignment scale is perfectly square to cutting edge and provides a solid edge for positioning materials. Scale in both Inch and Metric.
- Dual steel tubes guide the cutting head with complete stability and cutting precision for years of repeated use.
- Slide guide, included with each trimmer, is a removable sizing arm that attaches to the alignment scale. Ensures repeatable results when making multiple cuts. Ideal for production trimming.
- A durable, silk-screened registration grid laid out in 1" squares covers the baseboard for quick and easy measuring of any print or document.
- Non-slip rubber feet help keep the trimmer stable and in position during use, and won't mar table surfaces.
- Ten Year limited warranty.
