Limited Warranty: The Tiffen Company warrants each Steadicam product manufactured by Tiffen to be free from defects in workmanship and materials under normal conditions of use and service for a period of one (1) year for parts and six months for labor from the date of purchase. Tiffen's obligation under this warranty is limited at its option to either repair or replace the defective product. If the product has been superseded, warranty replacement can be made with a current model of the same quality performing the equivalent function. This warranty does not cover cosmetic refurbishment on any STEADICAM model. This warranty does not apply to any Steadicam equipment that is subject to misuse, abnormal service or handling or which has been modified or changed in design or construction. Warranty claims must be submitted to the factory for verification or to an authorized distributor designated by The Tiffen Company. Repairs by unauthorized parties will void this warranty. ALL IMPLIED WARRANTIES ARE LIMITED TO THE TIME PERIOD SET FORTH HEREIN. The Tiffen Company shall not be liable for incidental or consequential damages. All shipments of Steadicam equipment must be insured during the warranty period.
